HUDSONVIEW

CENTER FOR REHABILITATION AND HEALTHCARE

A MESSAGE FROM OUR ADMINISTRATOR

As the leaves start falling, we are gearing up for the fall and holiday seasons. We have a ton of activities and events planned for the month ahead! Please stay tuned to our social media accounts for pictures and details. We are continuing to remain vigilant in our COVID precautions, to protect our residents and staff. We are still offering the COVID vaccines to our patients, families, and friends. If anyone is interested, please contact the facility directly. Wishing everyone a happy, healthy October, and we look forward to seeing you at Hudsonview!

Indoor visitation is available for all floors. Please note that at this time we have increased the number of indoor visits — up to 40 visits per day — to allow everyone a chance to visit frequently. To schedule, please email visit@hudsonviewrehab.com

Our FaceTime calls and window visits remain available. To schedule, please email call@hudsonviewrehab.com

Looking forward to an amazing month of October!

**NAME: JANETH ABERDE, RN
POSITION/TITLE: ADON**

Q: How long have you been working at Hudsonview?

A: I've been working for Hudsonview for almost 20 years.

Q: Fun fact about you?

A: I love to travel. The last country I visited was Israel and got a chance to visit Petra, where I had the chance to ride a camel, which was a dream come true.

Q: Most challenging times at work?

A: The most challenging time was during the COVID-19 pandemic which we are still facing now. There was a period of time when residents were not able to see their loved ones, and we became the closest to family that they can have.

Q: Something that impacted you the most working here?

A: The family-friendly culture that makes Hudsonview a place where I truly look forward coming to work every day.

Q: What do you like the most about your job?

A: I have to say my coworkers. They are a fun bunch, we deal with life and death, we help each other, and we care for each other.

Q: Who or what inspires you?

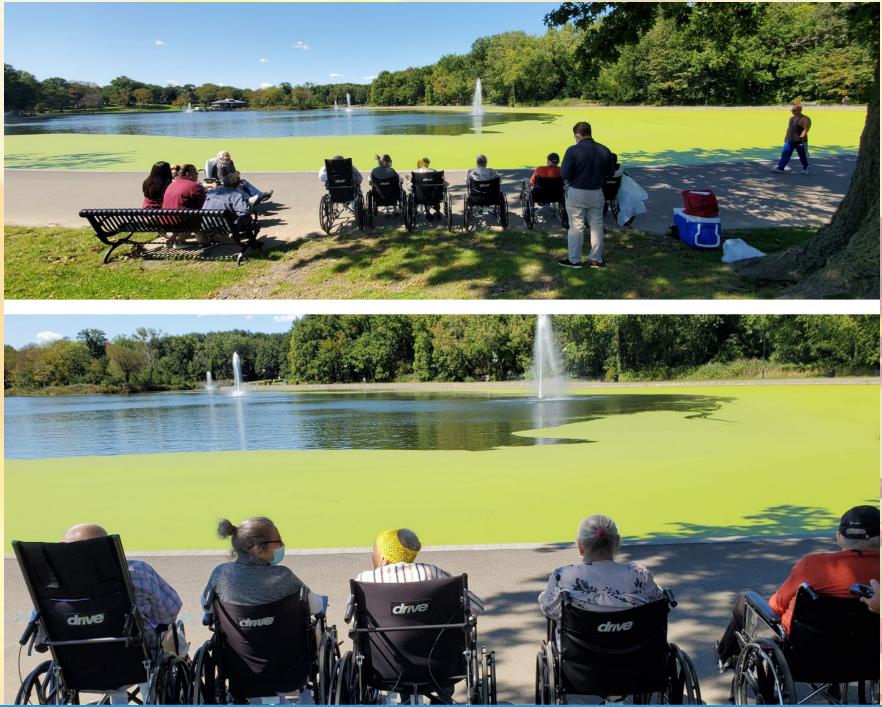

A: My greatest inspiration are my kids. They are the reason to never give up, to stay positive, to love, and to work hard to give them a better tomorrow.
