

Good afternoon family and friends of Hudsonview Rehab and Healthcare Center,

Although we have successfully cleared all cases on all floors the 5th floor has increased its from 8 to 19. We are doing our best to stem the tide there, as well as making sure the other floors remain clear of Covid. . We are continuing to abide by all proper infection control procedures and hopeful that we can continue to protect our residents.

If you would like to visit please make sure you follow guidelines and are wearing the appropriate PPE posted by front desk and be sure to check in by the kiosk.

Thank you and stay safe,

Pinny Leiner, LNHA
