WHAT'S HAPPENING AROUND HUDSONVIEW

Testimonial

"My dad seemed to be on his deathbed. After 5 days in the hospital with a UTI, he was sent to Hudsonview for more rehab. After being there for 2 weeks, I could already see the difference in him. He looked 100% better. He was eating and drinking on his own... The staff at Hudsonview is always attentive and responsive, and I am glad my father is still there. I know he is getting the treatment he needs and deserves." **— D.G.**
