

Good afternoon family and friends of Hudsonview Rehab and Healthcare Center,

I hope your summer has been healthy and enjoyable. Unfortunately though we have been covid free for an extremely long period of time we have had currently 2 residents result positive for Covid. Please see attached information from NJ Dept. Of Health regarding the bivalent booster that encourages all residents and staff to be up to date with this booster dose. Our Bivalent booster rate has increased significantly and we are working on increasing compliance. We are continuing to abide by all proper infection control procedures.

If you would like to visit please make sure you follow guidelines and are wearing the appropriate PPE posted by front desk and be sure to check in by the kiosk.

Thank you and stay safe,

Pinny Leiner, LNHA
