WHAT'S HAPPENING AROUND HUDSONVIEW

**Dear,
Hudsonview Family,**

October has been a landmark month for us in many ways, and as we move forward, I want to take a moment to reflect on the incredible milestones we've achieved together. Furthermore, celebrating the birthdays of our October-born residents was nothing short of spectacular.

First and foremost, I'm thrilled to announce that the future of healthcare is right here at Hudsonview. With immense pride, we've ushered in a new era with the launch of our state-of-the-art wound care program. It stands as a testament to our commitment to providing cutting-edge, comprehensive care for our residents. I invite all to explore this stellar program, which is now open for bookings.

The crisp air and golden hues have signalled the arrival of fall, and with it, we've embraced the spirit of Halloween in the most Hudsonview way - filled with joy, laughter, and a hint of spooky fun!

It's moments like these, where we come together as a community to honor individual milestones, that truly warm my heart. Our calendar was packed with engaging activities, ensuring every day was a day to remember.

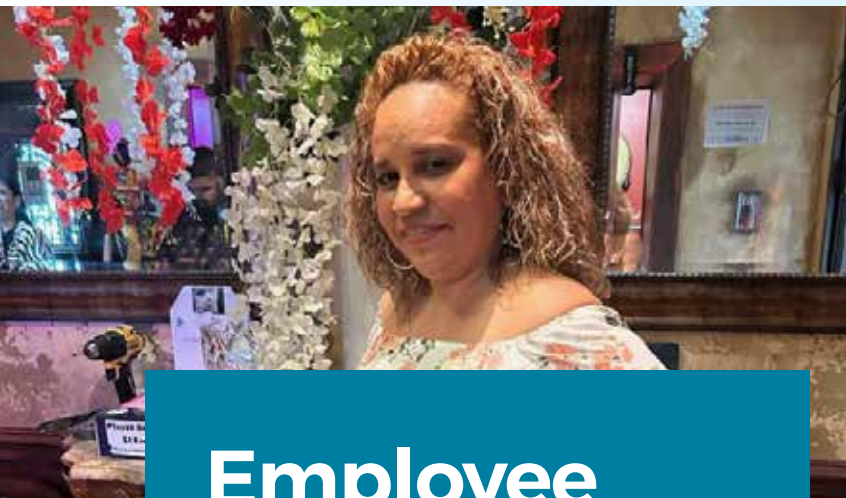

As we wrap up October and look towards the festive season, I want to express my deepest gratitude to our residents, their families, and our hard-working staff. It's the collective spirit of this community that makes Hudsonview truly special.

Here's to many more months of growth, celebration, and unparalleled care. Wishing all a splendid November!

Warm regards,

**Pinny Leiner
